Hi Melissa and Barry,

Here is the cover letter, CV, and sample report from Dr. Dana Jackson. He is interested in a full-time position. I spoke with him on the phone. He has experience doing about 20-30 fitness evaluations. I spoke with two of his references - both speak highly about his clinical skills, but do not have direct knowledge about his forensic experience. I am hoping to speak with a reference who can speak more about his forensic abilities. I am wondering your thoughts on him for full-time Bronx psychologist position?

Let me know your thoughts,

Beesh
